Market Conduct

Vendors, this is your market as much as it is ours. Surely you will agree with the policy that consistency (being here every week), timeliness (**being set up, car moved and ready to vend 10 minutes prior to market opening**) and friendliness (being considerate of each other) are essential in order for us to thrive! **If you arrive after 7:45 your space will be given away and you will be placed where we can find room.** We do not support negative speak in the marketplace. If you struggle with any of these things then Red Mountain Farmers Market is likely not a good fit for you.

Attendance Policy: We are a growing Market and attendance is key to keep growing as a place for the community to spend their Saturday. If for some reason you cannot make the Market you need to let us know ASAP. If you do not let us know by Thursday you will be charged at \$25 cancellation fee upon your next market. If you “No Call No Show” you will be talked to and if happens twice you will be asked to leave the market for good.

Insurance

*If you are a newly applying vendor, do not add us to your insurance policy until you have been accepted. When submitting the application it is okay to put: "Will obtain upon acceptance" in the insurance policy line.

Once accepted, as indicated in the Terms of Use document, you must secure commercial general liability insurance in an amount not less than \$1,000,000 per occurrence for property damage, bodily injury and personal injury with an insurance carrier acceptable to Red Mountain Farmers Market LLC.

Please be sure to add both entities below as an additional insured to your policy:

*Red Mountain Farmers Market LLC
Mesa Community College Red
Mountain 7110 E McKellips Rd,
Mesa, AZ 85215*

**Both of the above entities need to be listed, if this is incorrect you will need to resubmit*

Day of Market

When vending at Red Mountain Farmers Market you are committing to being present and set up for the entire duration of the market. We expect your booth to be setup, car moved and ready to vend 10 minutes prior to market opening. We expect you to be in your booth for the duration of the market, or have a fellow vendor watching your product for bathroom breaks. In addition, the breakdown of your booth cannot begin before the close of market. We have a market crew to assist with day of market tasks, but please be aware that at least 20 minutes before market opening our crew will not be available to assist you.
